

**Henry Hon** – Author, Entrepreneur, Speaker

**Topic #1** – John 17 – Sharing in fellowship and oneness we have in Christ—the same fellowship that the Son has with the Father . . . Life, Truth, and Glory . . . “That they all may be One!”

**Topics #2** - “Greetings” among disparate believers as commanded in Romans 16 and the unique description of “factions” gathering as the Lord’s *Ekklesia* are necessary practices in order to fulfill the vision of becoming ONE.

### **Expanded Description:**

#### **Topic #1** – That they may be ONE

The Lord Jesus prayed in John 17 that believers may be ONE as the Father and He are one, that the world may believe in Jesus Christ. This oneness of diverse believers’ results in the building up of God’s *Ekklesia* (assembly—His “called out ones”). His prayer shall be fulfilled before the Son of Man returns in glory! Jesus, as our Messiah, was sent with a mission: to build up His *Ekklesia* (assembly). The last supper was His detailed description of His *Ekklesia* which He consummated with His “high priestly prayer” found in John 17. He prayed that His diverse followers would be one, as one as the Father and Son are one, that the world might believe in Him. In His prayer, He gave three gifts that would result in this divinely-wrought oneness: eternal life, truth, and His glory. The experience of this oneness is manifested by loving one another in the fellowship of Jesus Christ. The fellowship of the Spirit is what makes the love of God and the grace of Christ so real to believers. All the blessings available to believers are in this wondrous fellowship—fellowship that is the reality of the *Ekklesia*.

#### **Topic #2** – Practicing Oneness in Christ Today

The situation in ancient Rome, where groups of believers were segregated from one another (e.g., “I am of Paul” – “I am of Cephas” – “I am of Apollos” – “I am of Christ”—much like the Church in Corinth), was a precursor to what we have in today’s divided Christianity. The apostle Paul, with a vision of building up the one body of Christ in Rome, wrote to them with oneness in mind—notwithstanding the factions abounding in the Roman assembly. In the last chapter of Romans, Paul commanded the saints to greet one another. Most Bible teachers have neglected this—giving it short shrift as, at best, an addendum to his more profound dissertations earlier in the book. Yet, chapter 16 of Romans is what is so urgently needed today in the Body of Christ. Through unceasing greetings, the *Ekklesia* is built up, sectarian leaders are exposed, and Satan is crushed. The Lord is calling out His people to practice genuine fellowship—true assembling together—the *Ekklesia* as described in 1 Cor 11:17 through chapter 14. The Lord’s *Ekklesia* starts with factions in chapter 11, progresses through all the members functioning with diverse gifts in Chapter 12; loving one another in chapter 13; and finally, everyone “prophesying” about their experience with Christ in chapter 14. The outcome of this expression of His glory in the assembly brings unbelievers to exclaim the presence of “God is among you of a truth!” Here’s where they fall down and worship the same God Whose glory is on display! This is the fulfillment of the Lord’s prayer in John 17.

## About Henry Hon:

Henry Hon has been an ardent entrepreneur since his graduation from UC Berkeley—having received an engineering degree in 1977. His start-ups range from folding bicycles to multiple tech companies. Since 16, Henry has been involved in evangelistic ministry, Bible teaching, and opening his home for gathering believers in vibrant fellowship. This background readily prepared Henry in writing his most recent book: ONE—“Reset to ONE, Revival Next”, which is based on the Lord’s prayer in John 17. He received insights for the practice of oneness in the Body of Christ resonating with believers from diverse Christian backgrounds. Hon is advocating a virtual paradigm shift in our understanding and practice of what we call “church”—for when believers assemble they do so to express His glory, His presence and to exalt Him in their gathering together—all can prophecy and all can be edified! Henry has been married to his beloved Sylvia for over 41 years. They have four married children—all four have, as well, graduated from his alma mater. Henry and Sylvia now have five grandchildren and counting—they live in the Bay Area of Northern California.

**Doug Krieger** – Author, Publisher, RTD. Public School Administrator

**Topic** - “Not for that nation only, but also that He would gather together in one the children of God who were scattered abroad” – John 11:52 – The Almighty’s Plan in bringing all His children together—after much division – What do Acts 15, Amos 9, Romans 9 have in common?

**Expanded Description:** Doug’s latest book, *THE COMMONWEALTH OF ISRAEL...An Introduction*, will be the basis of his presentation. The proliferation of countless factions within the Body of Christ—let alone within today’s Judaism—militate against the ultimate vision of the New Jerusalem. How did this happen? Does the Bible have an overarching theme of ultimate death and resurrection, of disquieting confusion and disunity, to final reconciliation and restoration? Yes, “one man should die for the nation” – but ALSO, “not for that nation only, but also that He would gather together in one the children of God” – where’s that today? Doug believes we’re at the climax of the age – a time when Jeremiah said: “***In the latter days you will consider it***” (Jer. 30:24b). Consider what? The final restoration! This will be a shock to some who think that only the Church is today’s “True Israel” vs. those who think God has a separate plan for Israel and one for the Church. Why? Because God’s ultimate plan brings us to confront when ALL ISRAEL SHALL BE DELIVERED! Guess what? Just when you thought you had it figured out!

**About Doug Krieger:** Doug’s Lutheran background goes back a long way—he’s a relative of Martin Luther (his great-great, etc.). Thus, having found Christ during high school, he began seeking the Lord in earnest—ultimately attending Multnomah School of the Bible (now Multnomah University, Portland, OR). He later was graduated from California State University, Los Angeles and Sacramento where he received his B.A. and Administrative Credential—therefore, he was a high school teacher and administrator “off and on” from 1970 through to 2010 – during that time he pastored, was the Executive Director of several national organizations and became a prolific author, co-author, blogger, social media administrator and ultimate publisher of Tribnet Publications based in Northern California. He is a frequent speaker at Christian conferences throughout the USA, is married to his beloved Deborah for nearly 50 years and has three children and a growing number of grand kids!

**Chad Schafer** - Author, Researcher and Manager of a national on-call pharmacy services provider

**Topic** - The Arch of Titus: The result of prophecy fulfilled and symbol of the Exodus Reversal back into the bondage of Egypt – a GREATER EXODUS is taking place here and now!

**Expanded Description:** So, you thought you knew all about history—or at least what they told you in the public schools and universities. Well, the book that this presentation is based upon – *THE WORLD IN THE BONDAGE OF EGYPT...Under the Triumphal Arch of Titus* – will demand a complete makeover of what you thought the Gentile World Powers were up to. You are about to take a Biblically-based journey through world history—history that demands we examine ancient Israel’s interaction with these “powers” and what 70 A.D. and the destruction of the Herodian Temple was all about in light of those of us being “called out from among the nations.” You will be brought right up to the present—even to the recent erection of the facsimile of the Arch of Baal and/or Arch of Titus in both London and New York—what is going on here? This is a major effort on the part of the enemy of our souls to thwart the purposes of God . . . but He will have the final word!

#### **About Chad Schafer:**

Chad Schafer is a medical professional with extensive background in Biblical research. After much prayer and fellowship with Doug Krieger—he and Doug decided to release Chad’s first book together: *THE WORLD IN THE BONDAGE OF EGYPT...Under the Triumphal Arch of Titus*. Chad’s Christian background well suits him for this book’s release. He is rooted in the evangelical faith—having been raised from his youth in a Bible-believing assembly in the Mid-West. For years Chad has led a vibrant prayer ministry at his local church—discovering, through much prayer and diligent reading of the Scripture, that the Commonwealth of Israel was far more profound than he ever thought! That should speak volumes to many who desire to know their faith in its fullness. As a “history buff”—Chad’s presentation, though brief, will radically change your view of history’s march through the millennia is not what you may have thought it was. Chad makes history come alive and all for the glory of God! Chad is married with five children and lives near Lebanon, Indiana.

**Dr. Gavin Finley, MD** – Retired Anesthesiologist – writer and blogger on Bible prophecy themes. Website: [EndTimePilgrim.org](http://EndTimePilgrim.org) -- YouTube Channel: "Gavin Finley"

**Topic** - The full scope of the End-Time Restoration of Israel which incorporates the reunion of the two houses of Israel along with the ingathering of a fullness from the Gentile nations into the promised fully restored Congregation / Commonwealth of Israel.

### **Expanded Description:**

We take a closer look at the spirit of adoption, the one faith in Christ who is the promised Seed, (singular), of Abraham as He gathers in one single Chosen Elect. Salvation comes by grace through faith in the atoning blood of Israel's promised Sacrifice Lamb, the only Redeemer of lost mankind. In Christ the two feuding houses of Israel are reconciled and restored, and all the nations of the world are blessed. God's grace and husbandry sees the wild olive branches grafted into the olive tree of Messianic Israel. We also see that the two olive trees of Zechariah 4 are the two witnesses who stand before the God of the earth. This explains the Law-Grace, Kingdom-Priesthood fracture line that broke Israel in two after the death of Solomon at the Breach of Jeroboam. The ensuing family feud, the jealousy, the antisemitism, and the mutual harassment explains the traumatic amnesia, the cognitive dissonance, and the partial blindness we continue to see in both the church and in Israel. As we see in Ephesians 2:11-13 the Breach of Jeroboam will be healed by the blood of Christ in the New Covenant which also brings the heathen nations, formerly aliens and strangers from the covenants of promise, into the citizenship and Commonwealth of Israel. This epic latter-day restoration and Ingathering comes amidst trials and is energized in the Gospel outreach by the promised end-of age Holy Spirit outpouring spoken of in Joel 2:28-32. The reunion and joining of the two sticks showcased in Ezekiel 37 includes the royal scepter of the royal Jewish House of Judah we see in Genesis 49 and the stick of Joseph, emerging out of his dreams from the stick of Ephraim. Both are ultimately to be joined together as one stick in the hand of the Lord. Isaiah 49:6 sets forth God's agenda to restore Jacob as the preserved of Israel and send out His Servant as a Light to the heathen nations. This joins with Romans chapters 9-10 to lay out the promised restoration of "all Israel" as the 12 tribes of Israel we see in Revelation 7 and the 12 gates into the New Jerusalem John saw in Revelation 21. So, as we see, the Messiah of Israel is the key, not only to the promised reunion of the two estranged houses but also the Ingathering of the "melo-hagoyim," the "fullness of Gentiles." "And so, ALL ISRAEL shall be saved." This is the great End-Time drama, an epic climactic story of redemption, sanctification, and glorification. It extends out from Zion to the ends of the earth and right through to the consummation at the end of this age.

### **About Dr. Gavin Finley:**

Dr. Finley describes himself as an "Australian evangelical Christian of pre-millennialist persuasion." He received his schooling in Australia, Canada, and the U.S.A., and came to the Savior at the age of 14 at a Bible camp in Washington State. In medical school in Australia he was a member of the Evangelical Union and in the '70s he was blessed in the early charismatic renewal before it faded into compromises. He served for a time in India as a missionary doctor with the Bible and Medical Missionary Fellowship. In the midst of decades of medical practice, he grew in his understanding of the prophetic scriptures. When the Internet came along he

began writing on forums—writing articles on his End-Time Pilgrim website. In 2007 he began a YouTube channel which can be accessed by the user name “Gavin Finley.” His joy has been to put up articles at the website and narrating PowerPoint videos on his YouTube channel. These he considers as a ministry to the Google searchers and more or less as trail markers for the travelling pilgrims as their journey of faith takes them up into the climax of holy history at the close of the age. Prominent themes include the Feasts of Israel, the Seventy Weeks prophecy, the future 70th Week, and the End-Time Revival. His main exhortation is to the blood covenant faith that will bring in the end-time witness, and the restoration, ingathering, and glorification of the saints that is promised to occur with the Second Coming of Messiah.

**Topic #1:** The Triune God as seen through ancient Hebrew/Jewish writings. So you think Christians came up with the Triune God—think again. This topic is WAY OVERDUE!

**Topic #2:** God's Divorce and Remarriage: How the Old Covenant and New Covenants are Marriage Contracts with God and Israel – this is what Commonwealth Theology is all about.

**Expanded Descriptions:**

**The Triune God—It's not a Christian Concept:** Dr. Doug Hamp who is both a Hebrew and Creek Scholar, will explore one of the most fascinating topics at this ONE IN MESSIAH conference—the Triunity of the Godhead.

It's really not a “Christian concept” but an ancient Hebrew and very Biblical Concept from the Hebrew Scriptures, as well as from the Septuagint and ancient Hebrew Writings, as well as Jewish scholars who lived before and shortly after the time of Yeshua's earthly ministry—this will be an unforgettable treat for Christians and a tremendous bridge in brining both the House of Judah and the House of Ephraim together at the end of the age!

**Commonwealth Theology: Old Covenant vs New Covenant-It's About God's Divorce and Remarriage to Israel:** Would you be surprised to discover the Old and New Covenants are actually about God's divorce and remarriage to his wife? In this study we explore how God married Israel under the first covenant and then divorced the House of Israel and how the New Covenant is the solution to fix the divorce. This study will connect a lot of dots for you.

**About Dr. Douglas Hamp:** Doug earned his M.A. in the “Bible and its World” from the Hebrew University of Jerusalem and his PhD in Biblical Studies from Louisiana Baptist University. He served as an assistant pastor at Calvary Chapel Costa Mesa, CA for six years, where he lectured and developed curriculum at the School of Ministry, Spanish School of Ministry, and Calvary Chapel Bible College Graduate School. **John Haller, Esq.**, Corporate Attorney, Editor of Prophecy Update

**Topics #1** – Geopolitical Update – Bible Prophecy is on full throttle – Gentile World Powers are at the verge of unending war—Where does Israel go from here? Where does the Church find herself with Israel?

**Topic #2** – The Bible speaks of the “Great Falling Away from the Faith” will happen at the End of the Age—have you noticed we’re in it NOW!

**Expanded Description:** “Discerning the times and the seasons” regarding the Second Coming of Christ, the Messiah of those called out from among the nations and Israel’s ultimate Deliverer, as well, focuses on an end-time drama that is unraveling each week before our very eyes. The struggles we face today and the prophetic fulfillments we see on every hand, make this generation full of immense hope, mixed in with ominous forecasts and frankly, rank deception afflicting the Body of Christ. In my weekly “Prophetic Update” I am never at a loss for material—material bringing us to the Savior’s greatest opportunity to both sift the grain from the chaff; separating the wheat from the tares. We’re on the winning team—it’s getting there, finishing the race that’s exciting. I’ll try to make these presentations memorable—they are designed to open your eyes into the times in which we now live and how to make sense out of them using the Word of God in the lives of the brethren and before unbelievers in a very uncertain world.

**About John Haller, Esq:** John is first and foremost a follower of the Lamb and a prophetic witness to this generation. His “Prophetic Updates” are seen by literally hundreds of thousands each month with nearly 40,000 subscribers to his channel. He is a frequent speaker at numerous conferences around the world. He hails from the “Grace Brethren Church” and is now involved with Fellowship Bible Chapel in the Columbus, Ohio area. John’s professional life is that of a corporate law attorney in one of the nation’s largest law firms—as a “trial attorney” John has found himself as legal counsel to some of the largest cases in the nation.

**Richard Jacobson**, Author, Artist, Speaker

**Topic** – Why not let Christ build His Church? Christ told us to preach the Gospel, make disciples, and care for the poor; He never told us to start churches. So, what if we’re completely wrong about what a church is and how it is formed?

**Expanded Description:** Today's Christians have a very church-centric faith. It's all about going to church, giving money to church, and volunteering at church. In fact, being "involved" in church is often synonymous with following Christ. And even believers who eschew the institutional church model, in favor of a more "organic" form of church, can be just as church-centric: constantly contrasting their new church experience with their old one. However, Jesus never taught a church-centric faith. In fact, he almost never mentioned the church at all. He

never told anyone to go to church, nor did he commission his disciples to start churches. Not only that, but right under our noses in the New Testament is a story of how one church was formed that follows the exact opposite pattern of how we plant churches today. So, could it be that we've got this whole "church thing" wrong?

### **About Richard Jacobson:**

Richard Jacobson grew up as a hippie kid in the Jesus Movement. Later, he became a pastor in the institutional church, until he realized the disconnect between the churches we read about in the Bible and the churches we attend on Sunday mornings. So, he quit his job as a pastor and started creating cartoons and animated explainer videos about the way church ought to be. Soon, he began gathering a social media following of like-minded believers who had similar frustrations with today's churches. This past year, Richard published *Unchurched: Christianity Without Churchianity* and launched *The Unchurched Podcast*. He's currently building a rapidly growing Unchurched community online and hosting various meetups and other events around the country for believers who love Jesus but are done with the institutional church. Additionally, he recently concluded a successful Kickstarter campaign to create an Unchurched comic book which you can read online at [www.unchurched.com](http://www.unchurched.com).

**Gaylord Enns**, Pastor, Author, Int'l Speaker

**Topic:** The linkage of New Covenant and New Commandment for every believer in Jesus--the one commandment He owned as "My Commandment."

**Expanded Description:** On the evening before His crucifixion, Jesus introduced the long promised New Covenant (Jeremiah 31:31). It was on that same evening that He announced the New Commandment. "A new commandment I give to you, that you love one another; as I have loved you, that you also love one another" (John 13:34 NKJV). That this is our mark of authenticity is stated explicitly by Jesus: "By this all will know that you are My disciples, if you have love for one another." (John 13:35 NKJV). This is my personal journey—I will talk about seeing Jesus' Commandment "for the first time." We will also talk about the "loss" of this commandment early in Christian history and illustrate the significance of its recovery in our day.

**About Gaylord Enns:** Gaylord has served in full-time Christian ministry for fifty years. He started ministry to college students in the '60s and was a leader in the Jesus People Movement of the '70s. His pastoral ministry served one congregation for over three decades in Northern California. In 2003 he founded the Servant Leadership Network (SLN) to facilitate ministry to pastors and next-generation leaders. In addition to traveling internationally, he served as the director of *Chico Pastors Together* in his hometown of Chico, California, facilitating gatherings of up to eighty pastors and ministry leaders from the city. He is the author of *Love Revolution: Rediscovering the Lost Command of Jesus*. First published in 2008, the 2011 revised edition

continues to be the catalyst for speaking invitations at home and abroad. He speaks with a passion to see Jesus' Commandment fully recovered by His Church in our generation — "Love one another as I have loved you!"

**Douglas R. Shearer**, Sr. Pastor Emeritus, Author, Speaker

**Topic:** "Birth Pangs of the Messiah" – Matthew 24-25 give us the most chronological accounting of the End of the Age – Why haven't we come to terms with Jesus' very own words regarding this most prophetic accounting? This is the generation that will witness the Church's finest hour and Israel's final redemption—this overview will be mandatory for the ardent prophetic researcher and believer in preparing for His Coming in glory!

**Expanded Description:** Where are we on the Bible's Prophetic Timeline? We may have far more agreement among true Bible-believing Christians than you may think—why? Because "events have overtaken us" – in other words, all our preconceived ideas of how the end of the age ends have been swallowed up by the "signs of the time" in which we now live! I will point out around 20 specific events now merging together at the end of the age which are alluded to in Scripture—making the present hour the most impactful in Church History . . . this is it—we're at the cusp of the Coming of the Son of Man for His Bride . . . and today's Israel is now, more than ever, being prepared to meet their Messiah. So, since we are literally living in the "beginning of sorrows" – the "birth pangs of the Messiah" – the commencement of the Messianic Age, the Millennium—then how ought we live today? This is where the parables of readiness come into view as never before—the believers, watchfulness, walk, and witness is presented in Jesus' parables of Matthew 24-25. WOW! This is absolutely awesome—are we ready? Doug will also share about his most recent ministry adventure in raising up brothers and sisters houses for dynamic outreach to the lost!

**About Douglas R. Shearer:** Pastor Doug is graduated from UC Davis, having been advanced to his doctoral candidacy and for a time worked with the California State Legislative Analyst's office—overseeing the budgets of entire departments in the State. In his own words, Doug will tell you that he and his growing family were "swept up into the Jesus Movement" in the early '70s. This is when he moved to his old stomping grounds in Berkeley, CA with his good friend, and fellow pastor, Doug Krieger—here, they labored for several years raising up a church of nearly 400 brethren—mostly young people. Doug continued his ministry from Sacramento, California where he was Sr. Pastor of New Hope Christian Fellowship for nearly 30 years—having recently "retired"—in quotes, because Pastor Doug has no intention of retiring but finishing hard for the Messiah! He's been happily married to his beloved Sita for over 50 years and has four children who love the Lord and scores of grandchildren and great-grandchildren. He's a prolific blogger, writer (several books), and engaging speaker at various conferences with a desire to multiply disciples for the kingdom of God!

**Ross Rohde** – Evangelist, Author, Missionary, Speaker

**Topic: Evangelism Jesus's Way** The excitement and passion of the evangelism of the early Church can be recaptured. But we have to do evangelism Jesus's way.

### **Expanded Description:**

In the early centuries Christianity was an explosive, viral movement that spread by word of mouth. Persecution could not stop it. In fact, it often helped to spread it. But today, the gospel is no longer spreading like wildfire throughout the Western world. Slowly, Christianity has morphed into something much different ...a stable institutionalized religion that no longer grips us with the excitement and spirituality of the early years. Ross Rohde believes that this excitement and passion can be recaptured. In his book *Viral Jesus* and in this workshop called *Evangelism Jesus's Way*, he uses examples from the Bible and today to explore how we can return to our roots and once again enjoy the excitement, simple spirituality, and explosive growth of early Christianity.

### **About Ross Rohde:**

Ross Rohde is a house church planter and house church planting coach in the San Francisco Bay Area. A missionary for nearly twenty years, he has worked as a consultant and speaker on the effects of postmodernism on the European church. He has been married for thirty-seven years to his beloved Margi. They are the parents of three daughters and grandparents to four grandchildren.

**John Polli** – High School Teacher/Mathematics – Ministering in the Prophetic

**Topic:** Ministering in the Prophetic – Edifying the Body of Christ through the prophetic gift given to edify – to build up the saints of the Most High!

### **Expanded Description:**

“He gave some to be apostles, some prophets, some evangelists, and some teaching pastors, for the equipping of the saints, for the work of the ministry, for the edifying of the body of Christ” (Eph. 4:11-12). Yes, this brother firmly believes that the Head of the Body of Messiah, has given, to this day, this fourfold ministry—one of which is the ministry of the prophets. That gift to His Body didn’t die out in Malachi, nor the days of the New Testament writers. But what does that ministry and equipping look like? How does one minister and equip the Body of Messiah with a prophetic witness? The Two Witnesses of Revelation 11 will be given authority to prophecy for 1,260 days—they will do some amazing things . . . just like Moses and Elijah . . . but today we can all prophesy one by one that all may be encouraged and edified. This session will be experiential as well as illuminating the Scripture in this most neglected gift given for the edifying of the Body of Messiah—it will not be boring! “Speaking into one’s life” and spontaneous evangelism are also involved in “the prophetic.”

**About John Polli:** Professionally, and as you will see and hear, John hails from New York. Having grown up in the construction business; ultimately graduating from the State University of New York @ Fredonia with a B.S. in Business Administration and from there, since 1985, John has been in education—with the last 17 years teaching high school students in the Sacramento Region—sharing his faith and inspiration with his students not only in mathematics but in leadership training through a specialized course of instruction. During this time John has been involved in ministry throughout the Sacramento Region. His passion in edifying the people of God through prophetic ministry, prayer and Scripture injunction equips God’s people to do the same for the Kingdom.

**Troy Albano:** Discipleship Motivator, Leadership Trainer, Entrepreneur, Author, Conference Speaker

**Topic: "Overcoming Demonic Influences"** – “this gospel of the Kingdom shall be preached in all the world...then shall the end come” – this will be a life-changing encounter – you ask, “How does that look?” Show up and you’ll see!

**Expanded Description:** We are “spirit and soul and body” – All are needed in spreading the kingdom of God. Jesus said: “This Gospel of the Kingdom shall be preached in all the world as a witness, then shall the end come” (Matthew 24). I’d like to ask you: What does that look like in this day and age? Well, the shocking truth is a whole lot different than “three songs and a sermon” that you’ll hear most Sunday mornings! Out in the real world of work believers are finding themselves in ever-increasing spiritual warfare—trying to make ends meet while bearing witness to the Savior. Easy? Most are struggling in being a witness of hope in a most confusing time. “*Greater is He who is within you than he who is in the world!*” Jesus isn’t playing games in the market place today. This session is just a taste of how ordinary people are

being delivered from the “kingdom of this world” into the “kingdom of God” – and I mean, DELIVERED! Need I say more? You’ve got issues, right? Well, let’s see what the Normal Christian Life looks like!

**About Troy Albano:** Troy Albano is a leader and trainer. He has been very successful in traditional business practices. He has always been an entrepreneur and thinks “outside the box.” His excitement exudes his passion for helping people and he is constantly looking for ways to help others simplify and expand business in whatever industry one pursues. Now, after years of being in industry, Troy has discovered that he could maximize his effort by aligning himself with God’s purpose and plan for people—that’s when his life took an about face! Now Troy, with his beloved Nina, have given themselves over to making disciples for the Kingdom of God. That’s why Troy’s new book: ***Multiplying Disciples*** will definitely stir up God’s KINGDOM PEOPLE to defeat the powers of darkness now swallowing up this generation. Troy’s ministry in the Sacramento Region includes establishing home fellowships, bringing God’s people together around the Lord—opening up scripture and experiencing divine deliverance . . . breaking through the Powers of Darkness! Troy finds himself in multiple Christian formats edifying the Body of Christ through dynamic discipleship. Of late, he has been engaged in “Fellowship Chamber” developing a “Kingdom Servants Course” for area entrepreneurs, while establishing front-line discipleship training at local businesses.
